COMPANY OVERVIEW

TUNHEIM IS A WBENC-CERTIFIED WOMAN-OWNED, SMALL BUSINESS AND A [GSA CONTRACT HOLDER \(GS-00F-239GA\)](#).

Well-understood organizations have the best opportunity for success. Tunheim leverages communications to help our government and commercial clients navigate complex situations. We take on our clients' challenges as our own and provide management consulting advice and deliver customized communications services to deliver results.

Our GSA contract has a broad scope. It spans a wide range of services in the areas of management consulting, public relations, marketing and advertising. For details, see the section below titled "Scope of the Contract."

Tunheim was founded because talented people wanted to do interesting work. Since 1990, we've operated by the fundamental beliefs that well-informed people make good decisions and that effective communication is a critical component of successful business strategy.

We're a certified woman-owned business and a member of IPREX, the second-largest independent global agency network.

Since 1990, Tunheim has successfully helped clients be understood.

In particular, we help our clients rethink how they must work to be understood by all of their stakeholders. Because being understood leads to success. Communications is the only management discipline — but it is a key one that is too often not thought through effectively. Tunheim experience includes The U.S. Environmental Protection Agency (EPA); The State of Minnesota, including Minnesota Department of Revenue, Minnesota Department of Health, Minnesota Department of Commerce, Minnesota Department of Natural Resources; and Minnesota's largest counties, Hennepin County and Ramsey County.

Tunheim is a leading integrated communications, marketing and advertising agency specializing in public relations, public affairs and management consulting services.

During the past three decades, our firm has taken great pride in our efforts to help more than 100 governments, agencies and NGOs communicate clearly and effectively with key constituents. Our team has deep experience creating and executing complex media, government relations and public affairs strategies involving multiple stakeholders.

COMPANY OVERVIEW CONT.

STRATEGY

Based on a well-informed perspective, we partner with our clients to develop innovative and results-focused strategies designed to successfully deliver against organizational goals and metrics.

Whether you need to influence public policy, better engage with key stakeholders, navigate a crisis or tackle important organizational challenges, we set you up for success. Tunheim delivers strategies that propel your goals.

DELIVERY

Lastly, we deliver to your expectations. Every time. We start with insight, develop strategy and then execute tactics that meet your goals. We are expert consultants who deftly work across multiple disciplines and business sectors. We execute strategies that prepare you to win in the marketplace. Tunheim gets the results that you need to be successful.
